

Gift Aid: declaration

If your donations/subscriptions are not already Gift Aided we very much encourage you to do so. The Gift Aid scheme means that any donations/subscriptions that you make to Elmbridge U3A will be worth 25% more to us; **at no cost to you**. Higher and additional rate taxpayers can also claim back further tax by including Gift Aid payments on their tax return. **Please note that, for Joint Membership, it is the Gift Aid status of the person paying that applies and that a single payment covering two Joint Members can be Gift Aided for the full amount.**

To start Gift Aiding please sign and date in the box below and return the form to us. In doing so you will be confirming that:

- I want to Gift Aid this and future donations/subscriptions to Elmbridge U3A until further notice
- I want to Gift Aid any donations/subscriptions made in the past 4 tax years
- I confirm that I am a UK taxpayer and understand that if I pay less Income Tax / Capital Gains Tax than the amount of Gift Aid Claimed on all my donations/subscriptions in that tax year, it is my responsibility to pay any difference.
